

Incentive & Bonus Policy

INCENTIVE & BONUS POLICY

Objective

To reward employees for their performance and contribution to iScholar. Increase employee motivation and interest in meeting Company's goals and reward them outside of the normal remuneration process for achieving or exceeding targets.

Purpose

Provide a clear correlation between key performance measures that influence reward and the employee's ability to influence those measures.

Applicability

The policy is applicable to all eligible employees of IKSP. This policy does not form part of any employee's agreement of employment.

Guidelines

Employees may be eligible to receive the following incentive payments:

Incentive payments will be calculated on the employee's gross base annual salary as on this policy commencement date. Any other employee entitlements or benefits will not be included for the purposes of calculating an employee's incentive payment.

An assessment of each employee's entitlements to an incentive payment will generally be made on monthly/quarterly/annual basis as applicable.

Any employee who has been assessed as being entitled to receive an incentive payment will generally be notified in writing on the assessment dates.

Employee should be on the payroll of the Company to be eligible for incentive payout and should not have taken any LOP in the applicable period.

Company Performance is the key for the declaration and release of the incentives. The decision of the management would be final.

The possible incentive will be calculated based on the guidelines for incentive calculation stated in Appendix A.
